Mishawaka, IN

814-790-9314

[sjones@larsontexts.com](mailto:sjones@larsontexts.com)

Susan is a National Sales Associate for Big Ideas Learning. She has worked as a consultant in educational publishing since 2002, presenting research-based programs to district administrators and teachers while establishing ongoing partnerships to ensure successful implementations focused on results. She collaborates with Big Ideas Learning Content Specialists and National Consultants regarding the development of the *Big Ideas Math* programs and their design principles.

Susan holds a Bachelor of Science degree from St. Joseph's College with graduate studies from Indiana University.
